March for Our Lives – Portland 3-24-18

We've had enough. Thoughts and prayers are not enough to honor the victims of gun violence. What we need now is action.

On March 24, 2018, students will rally in Washington D.C and in local communities across the country to demand action from our leaders. Join us in the March For Our Lives, as we fight for an America that is free from gun violence.

In solidarity with the [Washington D.C. march](#) and marches all across the country, Portland rallies to demand that politicians prioritize student lives and safety and bring an end to gun violence and mass shootings in schools.
